The Naval Institute Foundation

Only through the generosity of thousands of supporters—individuals, corporations, and foundations—is the Naval Institute able to fulfill its educational mission today and build the technological prowess necessary to move into the digital age. With donor support secured by the Foundation, the Institute is developing the digital tools necessary to professionally serve the next generation of naval personnel even as we continue to preserve the legacy of our naval heritage.

At the heart of the Foundation's efforts is a devoted corps of individuals who have distinguished themselves as Naval Institute Commodores through their lifetime generosity and loyalty. Even within this premier donor society, some have deepened their commitment and set even higher standards of dedication to our professional society.
