The Naval Institute Foundation

The generosity of thousands of supporters—individuals, corporations, and foundations—is boosting the Naval Institute’s success as the knowledge leader in maritime and defense issues. Contributions underwrite conferences, essay and photo contests, book projects, oral histories, and other educational projects.

At the heart of the Foundation’s efforts is a devoted corps of individuals who have distinguished themselves as Naval Institute Commodores through their lifetime generosity and loyalty. Even within this premier donor society, some have deepened their commitment and set ever higher standards of dedication to our professional society.
